

The current flag football roster for winter has been set and established on the premise of age distribution and siblings. While we have made reasonable accommodations requested by parents/guardians, due to registration enrollment, all rosters are final for the remainder of the season.

Should you have concerns and suggestions, we are starting outdoor fall flag football in August. Registration is now open and available to build your fall team.

Thank you for your understanding and willingness to make this season a fun one!

*Michelle Schertz, Director of Youth Development & Paul Larson, Senior Program Director.*
