Why This Matters

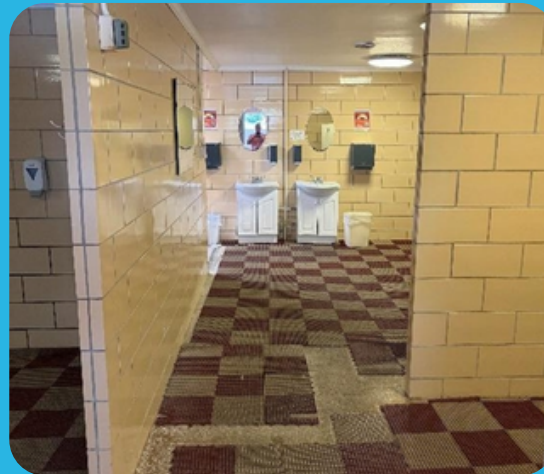

**WE HEAR YOU. WE SEE YOU.
WE'RE READY TO GET STARTED.**

We know there are opportunities to improve our aquatic facility, and we've heard your feedback about the Pool House.

Phase 1 focuses on improvements we believe will make an immediate difference creating spaces that feel **brighter, cleaner, more welcoming and easier to maintain.**

This is only the beginning. As resources allow, we look forward to continuing the work and building on the progress together.

We hope you will consider helping us fund this \$12,000 project. Phase 1 is our first step, and we can't wait to get started!
