We are what’s known as an “Actively Engaged Leadership Program.” Youth in our program need to understand that participation in all activities is important to their development in the program. We believe a successful program begins with a wide variety of games and activities to create a fun and dynamic program. This program focuses on academic tutoring and enrichment, sports and recreation, life skills education, social emotional learning, nutrition, S.T.E.M., artistic and cultural activities, as well as prevention education.

We believe games and activities provide a foundational base for creating an interactive and fun program for students. Our focus is not skill acquisition, but rather putting students into situations where conversation, communication, and community are promoted and where their self-confidence and personal identity can be strengthened through a positive program experience.

We also believe that diverse programming contains activities that allow students to be creative, problem-solve, design, collaborate, take risks, and develop a greater sense of self-reliance and self-assurance. We utilize many games and activities that one might find in a good quality PE program. These are games/activities where the greater objective, besides having fun, is how the group works together to accomplish or succeed. We do not shy away from competition, but we seek to keep a healthy balance between the spirit and desire to win, and the reason for, and method of winning!
This program

Registration cost: Teen Reach is a free daily program, but there is an activity fee of \$150 per summer per student, that is collected during registration to help offset transportation and fuel, supplies, snacks, or field trip costs. This fee requires a down payment of \$25, then the rest can be collected throughout the summer break in a weekly fee of \$17.86 for 8 weeks. The total fee must be paid in full by the end of the summer break, and before any other registrations can be completed. This requires a direct withdrawal from a bank or credit card weekly. The remaining balance is split into weekly payments evenly. This information is entered during registration. There may also be occasions where students will want to purchase snacks from the snack bar, gift shops, or vending machine but this is to the parents/guardian on depression.

Non-refundable registration fee applies to all.

Camp fees will be automatically drafted on Mondays, one week before the week you are registered for. The cost of camp is only offered at weekly rates, which do not change based on your child’s attendance. Please see the payment schedule outlined below:

CANCELATIONS/CHANGES

• With weekly billing, refunds will **only** be given if an illness or injury prevents your child from attending for the **whole week**. If possible, our camp director should be notified before the billing cycle. It is the YMCA’s right to ask for a doctor’s note explaining the illness. If you choose to cancel or change services, we need a change of status notice **EIGHT BUSINESS DAYS before the first day of the week your child is registered**. You will be responsible for payments if we do not receive the status change notification eight business days before cancellation. Refund processing can take 7-10 business days.

Children suspended from camp will not be refunded for the week; parents will be responsible for payment that week.

• If you choose to cancel a registered week of camp, your spot will be forfeited and offered to a child on the waiting list. If you wish to re-enroll after canceling, you will need to rejoin the waiting list, and placement will be subject to availability. We cannot guarantee that a spot will reopen once it has been forfeited.

ELIGIBILITY:

A camper must be 10 to 16 years of age and currently in middle school to participate in the Teen Reach Summer Camp program.

DROP OFF & PICK UP PROCEDURES

How do I drop-off and pick up my child each day?

You and the other parent/guardian listed on your family’s account are already authorized to pick up your child at any point throughout the hours of operation. Children will only be released to the parent(s)/guardian(s) listed on your account, as well as the individuals you have authorized. If an unauthorized person attempts to pick up your child without permission, we will call you to verify that they have your permission to pick up your child that day. They will need to show ID for verification purposes. All parents/guardians/authorized persons should park and walk to the sign-in/out table each day to drop-off/pick-up their children which is required. Students cannot sign themselves in or out of the program.

Can I authorize other people to pick my child?

You can add additional authorized pick-ups when you register your child online for programming. These authorized persons should be anyone you plan on allowing pick up or drop off for your child(ren) this summer when you or the other parent/guardian on your account is unable to do so. (Please Note: You do not need to add yourself or another parent/guardian listed on the account as you both are already approved and authorized. This is simply for any other people you wish to authorize for this summer.)

Please note everyone authorized to drop-off/pick-up your child from Camp must be at least 18 years of age.

Please note:

- If you call our office to make changes or add an authorized pick up, we will ask you 1-2 questions to verify your identity/account before we can make those changes for you.
- Instead, you can also email us with new authorized pickups from your email you registered your child with on file, as this is more secure.

It's important that you plan ahead and communicate with us far in advance about any new authorized pickups or changes in information.

CUSTODY/PARENTING PLANS

- Legal documents (copies: court order, divorce decree, parenting plan, etc.) must be on file and current at the program regarding divorce/custody arrangements.
- In the event of a parent's divorce or separation, we must release the child to either parent unless a court order states otherwise.
- Divorced parents should submit a copy of the court order, divorce decree, or other legal documentation to prevent an unauthorized pick up by the non-custodial parent. Documentation must be kept in the child's file.
- Any deviation of the child custody agreement will require a written formal agreement with notarized signed approval by both parties acknowledging "In Direct Contradiction to the Stated Court Order" before allowing pick up.
- In the absence of a court order on file with the childcare program, both parents will be afforded equal access to their child as stipulated by law. The YMCA cannot, without a court order, limit one parent's access at the request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, the YMCA suggests that the parent keep the child with them until a court order is issued.
- A legal restraining order must be on file with the childcare program if an individual cannot pick up the child.

PROGRAM HOURS:

What are the hours of the program?

Summer Camp follows the Peoria Public School District 150 school year calendar. The daily program hours for camp are 9:00am to 3:30pm, before care drop is offered from 7:00am to 9:00am and pick up starting at 3:30pm-5:30pm Monday through Friday. Transportation is not provided for this program, and parents and/or guardians are responsible for drop off and pick up. All students must be picked up by the end of the program at 5:30pm. When you arrive in the morning, please find a Teen Reach counselor who will help you properly sign your child in for the day. When leaving please do the same and sign out the child for the day and the counselor will then get your child from their current activity and help them gather their belongings to leave the program for the day.

Late Pick-Up:

Our staff will make a courtesy call to you at 5:30pm if your child is still at the YMCA and we haven't heard from you yet. If you know you will be running late, please text the Teen Reach phone or call the leadership team on the YMCA phone to let them know you are running behind. Excessive tardiness can result in the loss of the child's slot in the program. Our procedure for when a parent has not arrived after the close of care:

1. Attempt to contact the parent/guardian wait 10 minutes for response
2. Call another authorized person on the emergency list if no contact after 10 minutes
3. Finally contact the police if no contact after 30 minutes

****The only exception is inclement weather!***

Early Pick-Up:

If you are planning to pick your child up early from the program, please communicate this to a staff member or Teen Reach counselor- either in person at drop off or call/text.

SCHEDULE CHANGES & CANCELLATIONS:

In the event we would need to change or cancel the teen reach program parents will be notified via text message, email, and posted on all YMCA site information.

What if I need to cancel or change the week of Camp?

We understand that schedules can change between the time you register your child and when they start the program, so we do our best to be flexible with changes. If you do not remember the dates of sessions your child is registered for you can reference your YMCA account or email the Teen Reach team and we can help!

PREPARING FOR SUMMER CAMP SESSIONS

Here's everything you need to prepare for your child's first week of Camp!

PLEASE BRING TO CAMP:

- A packed lunch that **DOES NOT** need refrigeration or heating.
- A reusable water bottle
- Wear comfortable play clothes: a T-shirt, shorts, and tennis shoes with socks.
- Bag with swim gear for swim trips and/or Water Adventures (with sunscreen, swim suit/trunks, towel, flip flops, etc.)

BEFORE YOUR CHILD'S FIRST DAY

- Please complete or update our Health & Safety Form for your child. Please submit this to our office in advance so we can process it and be aware of any medical needs your child may have. This form will be sent via email after the registration process with your welcome letter.
- Extra Forms will be available on your child's first day; however we ask that you allow an additional 5-10 minutes into your morning to complete the form. The form asks about your insurance information, your child's doctor and dentist, and any medications your child is on. Your child cannot be accepted on their first day until this form is completed by you.

WHEN YOU ARRIVE ON YOUR FIRST DAY

- When you arrive, please follow the Camp directional signs to find the drop off area.
- The counselors will greet you and your child at the sign-in table and will walk you through the check in and out process.
- Pick up a program newsletter. These weekly newsletters provide important details about the upcoming schedule, contact info for your program, and any announcements for the week.

Sunscreen/ Insect Repellent

To help prevent sunburn, it is recommended that parents apply or send sunscreen prior to arriving at Teen Reach.

Heat Advisory

During extreme heat and heat advisory days, we will adjust our schedule when possible. The safety and comfort of our campers is always our top priority.

- We will limit the time we spend in direct sun
- We will spend more outside time in shady places
- We will take frequent breaks and cool down time
- We will play games that keep kids hydrated and cool (swimming/water activities)
- We will move activities inside when possible
- We will take extra water hydration breaks and make sure water sources are always available

PLEASE LEAVE AT HOME:

- Matches, knives, and anything that could potentially be used to harm someone
- any type of guns (including fake)/ammunition/fireworks
- drugs, alcohol, tobacco products
- inappropriate, derogatory or offensive clothing or materials such as hats, scarfs, masks, jackets

Please be sure to clearly mark your child's name on all of their belongings (including sunscreen and program theme shirt) with their first and last name. This way, if it ends up in our Lost & Found box, we can return it to you if it's clearly labeled! The Greater Peoria YMCA is not responsible for valuables and electronics brought to teen reach. Students found to be in possession of weapons (including but not limited to knives and/or guns), drugs, alcohol, or tobacco related products will be asked to leave; parents will be notified to pick up their student immediately.

EMERGENCY INFORMATION

In the unlikely event that the YMCA decides to evacuate the camp, we will attempt to contact the family, starting with the parent or guardian that registered the child, then the emergency contact person, in that order. At that time, the person we make contact with will be given further instructions on how the evacuation will proceed. For this reason, we must have accurate contact information for parents and emergency contacts during your child's camp experience.

FIRST AID & ILLNESS

All staff are certified in CPR and First Aid. In an emergency or illness, camp staff will notify parents/guardians. Refunds will only be given if an illness or injury prevents your child from attending for the whole week. If possible, our billing department should be notified before the billing cycle. It is the YMCA's right to ask for a doctor's note explaining the illness.

- Parents will be contacted immediately if their camper shows signs of illness. It is better to be overcautious than to risk exposing the rest of the campers and staff.

Campers will be sent home for the following reasons:

- Earache (if they have not been on medication for at least 24 hours)
- Fever over 100 degrees. Campers may return when they have been fever-free for 24 hours without medication
- Strep throat (if they have not been on medication for at least 24 hours)
- Stomachache
- Anything contagious (i.e., chicken pox, hand, foot, and mouth disease)
- Vomiting
- Diarrhea
- Contagious rashes or rashes of unknown origin
- Head lice, including visible nits. Staff will check head upon return.
- Pink Eye (conjunctivitis) (if they have not been on medication for at least 24 hours)

- Significant runny nose (discolored mucous)

HEAD LICE

Head lice can become an issue anytime you gather children at camp, daycare, or school. It is not indicative of uncleanliness, and anyone can get them. Because lice are easily transmitted and require several steps to eliminate, we cannot keep children with nits or head lice at camp. If your child gets head lice and needs to miss a week, please get in touch with the Teen Reach Coordinator regarding a refund.

MEDICATIONS & HEALTH CONCERNS

What if my child needs medication during Camp?

We are not trained medical professionals and do not administer chronic daily medications in our program. We only administer emergency medications when needed. As our Health & Safety forms states, if your student requires emergency medication during programming, please ensure the following guidelines are met:

All emergency medication that your child must take while at Teen Reach must be in their original containers with:

- Your child's first and last name
- The name of the medication
- The necessary dosage amount
- Authorization form to give medication completed by parent and prescribing physician
- An action plan is required and signed by the prescribing physician

Please remember that our staff and counselors are not medical professionals. WE are not required by law to administer medication and only do so as a service to the parent/guardian for emergency situations. If you have specific questions regarding your child's medical needs or medication requirements, please contact our office before your child's first day.

What if my child is sick or absent from Camp?

If you anticipate your child will be absent from Camp for a day due to sickness or changes in your family schedule, you are not required to call us to let us know. If you wish to inform us of your child's absence, please text/call your Camp's Site Directors directly and they will mark your child's absence in check-in system.

What you should know in the case of:

- **Illness:** In order to be at Camp, your child should be free from fever, vomiting, and diarrhea for 24 hours without the use of medication. Any rashes should be cleared by a physician. You will be contacted if your child exhibits any signs of illness while at Camp (such as a fever over 100 degrees, diarrhea, undiagnosed rash, vomiting, etc.)
- **Lice:** In the rare event of lice, your child should not return to Camp until free from all lice and nits. Upon returning, we will call in a nurse consultant to double-check the child and give them clearance to stay at Camp.

Will I get a schedule of Camp activities?

A weekly newsletter printed with the entire week's schedule of activities will be available at your Camp's sign-in table at the beginning of each week. If you have questions regarding the schedule, please contact a counselor or member of the leadership team. We will also send out an email the Friday before the start of your session to provide details and announcements for the week ahead. Any replies to those weekly emails will go directly to the Teen Reach Coordinator, so feel free to hit 'reply' to share with us any questions, concerns, or feedback you have at any point throughout the program.

Transportation

Transportation to and from the teen reach program will not be provided for summer camp. Children must be dropped off and picked up from the YMCA location daily.

LOST AND FOUND

Lost and found items accumulate very quickly. Please label your child's belongings. Socks and underwear are immediately discarded; everything else will be on a lost and found table and donated after two weeks. **The YMCA is not responsible for broken, lost, or stolen items.**

STAFF

Who will be with my child while at Teen Reach?

Our trained YMCA staff build relationships, foster a sense of belonging and create opportunities for our campers to achieve and learn. We offer a wide range of engaging activities, every day, as well as character development and swim lessons. At Teen Reach we consider the needs of each student to promote success and provide a positive youth experience. Disclosure of special needs will not bar participation. Let us know when you register if your child is developmentally, emotionally, or physically challenged or requires another type of assistance. Please note that we are unable to offer 1 on 1 individualized care during programming.

All activities are open to all individuals who meet the following essential eligibility requirements by themselves with or without reasonable accommodation:

Personal Needs:

- Able to manage all personal hygiene, restroom procedures, and toiletries.

Motor Needs:

- Able to ambulate on own or with a mechanical device in varied terrains, including sloped and uneven ground
- Able to perform gross motor functions and fine motor functions with reasonable guidance

Additional requirements for program with outdoor activities:

- Able to withstand exposure to the outdoors for extended periods of time

Our summer staff are high school and college students who have gone through a number of steps to join our summer team. All staff complete an application, provide three professional and personal references, have gone through a background check, and take part in one-on-one interviews. We work hard to ensure our staff have the maturity, program skills, and abilities to make teen reach a fun and safe experience for your child. Our staff to camper ratio does not exceed 1:15.

Children are divided into groups of 15-20 students ranging from age 10-16 or 5th through 10th grade level. Each group is led by a Counselor for the entire week. Groups of campers are organized into Teams and led by a counselor for large group activities. The Program Coordinator with the assistance of counselors oversees the daily program and is available to help you and answer your questions.

What if I need to get in contact with Camp staff during the day?

At the beginning of the program, you will be provided with a direct phone number, the name and contact information of the program coordinator, and any other important contact information you may need.

If you need to get in touch with Camp staff for any reason, your first point of contact is the teen reach program coordinator.

If you have talked with the Teen Reach Program coordinator about a concern or question, and either have additional questions or don't feel like your concern was properly addressed, your next contact would be the Senior Program Director of Youth Development. The Director's phone number and email are listed in the teen reach newsletter and parent handbook. If you have questions regarding your child's schedule, or if you feel like you haven't had your questions or concerns answered by others at teen reach, please contact the main office at (309) 692-7631 to speak to a member of the leadership team and we will be happy to help.

BEHAVIOR MANAGEMENT

All children are entitled to a safe and harmonious environment. The safety rules and structures of the program are in place to provide a safe and consistent program. At the Greater Peoria Family YMCA, we believe that guidance is something that should be positive and approached in a fair and caring manner, consistent with the developmental needs of individual children. Clear behavior limits are set and modeled and reasonable guidelines are explained. We encourage children to develop self-control and to handle conflicts in a peaceful, effective and acceptable way while still protecting the safety of both other children and staff.

Top 5 Rules

Our rules and behavior system help everyone at teen reach have fun and stay safe. Our Top 5 Rules are ones that everyone - staff and students alike - must follow.

Follow and Uphold Teen Reach Top 5 Rules

1. Groups of 3
2. Be a Leader
3. Good Words/Bad Words
4. Good Touch/Bad Touch
5. Treat It Right

The following pages list examples of what it means to apply the Top 5 Rules. These represent many common situations but are not meant to be an exhaustive list.

Groups of 3: Always stay with at least 2 people. Never be alone with another person. Stay with your group and within the boundaries.

Be A Leader: Choose to be a leader in everything you do. Set a positive example by showing respect for everyone. Listen, share, and ask for help when you need it.

Good Touch/Bad Touch: Use touch that help others and makes them feel safe. Good touch= things like high fives and short side-hugs. Bad touch= things like hitting, sitting on laps, back rubs, tickling.

Good Words/Bad Words: Use words that are kind and build each other up. Good Words= respectful, encouraging, helpful. Bad words=disrespectful, cursing, threats, gossip, insults

Treat It Right: Respect all property and equipment at every location. Don't damage anything on purpose. Leave your area better than you found it.

What if my child acts up while at Teen Reach?

Your child will be expected to follow our Top 5 Rules while they are with us. If they break a rule or exhibit negative behavior, we'll walk through the 3 Strike System to correct their behavior:

- Strike 1 - Short Timeout with conversation with counselor
- Strike 2 – Write Up/Longer Timeout with removal from all activities, and work off (cleaning, tasks etc.)
- Strike 3 – Write Up/Conversation with the program coordinator, and parent.

After reaching Strike 3, our staff will include you in the process. This might mean a call home or a conversation when you pick-up your child at the end of the day. Our hope is that your perspective can help to straighten things out by working with our staff or speaking to your child. However, with extreme or continued negative behavior, we may ask you to pick up your child early or miss the following day of the program. Ongoing behavior issues could result in a suspension from teen reach. Our staff reserves the right to skip any of these steps based on the severity of the behavior.

24 things you that can get you suspended or expelled from teen reach program (signed student behavior code: condensed version)

1. Tobacco products, including electronic cigarettes
2. Alcohol
3. Drugs, using or possessing including controlled substances, marijuana, medical marijuana, somebody else's prescription medications, inhalants used to "get high", fake drugs or things that look like drugs, drug paraphernalia
4. Non-prescription medications, if you give them or sale them to others
5. Weapons, both real and fake
6. Cell phones or other wireless electronic devices used without permission unless a real emergency is happening
7. Using a laser pointer without permission
8. Disobedience to your counselors, the program coordinator, or program director, or any other YMCA staff member or another parent
9. Cheating or helping others cheat

Parents/Guardians should not rely on us to fix their child(ren)'s behavioral issues or expect us to "treat" a camper medically. We are not legally allowed to do that. If we believe your child(ren) cannot follow the Greater Peoria Family YMCA's rules/expectations, they will be removed immediately.

RESPONDING TO ALLEGATIONS OF ABUSE & CHILD ABUSE POLICIES

The YMCA provides our youth and teens with the highest quality services. We are committed to creating a safe, nurturing, empowering environment for youth and promoting growth and success. All reports of suspicious or inappropriate behavior with youth or teens or allegations of abuse will be taken seriously and investigated. No form of abuse will be tolerated, and any staff, volunteer, member, guest, teen, or youth who is accused of abuse of a youth or teen will be immediately removed from the facility and prohibited from all YMCA property and activities for the duration of an investigation. If the investigation establishes that abuse is believed to have occurred, the staff member's employment or the volunteer's ability to volunteer will be immediately terminated. All individuals found to have abused youth will be permanently prohibited from all YMCA property and activities. The YMCA will both report to and fully cooperate with law enforcement and the Illinois Department of Children & Family Services regarding allegations of abuse that are made and require investigation. How the YMCA responds to suspicious or inappropriate interactions, policy violations, and incidents or allegations of abuse can dramatically affect the harm to the individuals involved and the damage to the organization. Once a staff member, volunteer, youth, teen, or parent has expressed concern or made an allegation about the treatment of a youth or teen, swift and

determined action must be taken to reduce any subsequent risk to the youth, teen, the accused staff member, or volunteer, and to the organization. Because the YMCA is dedicated to maintaining zero tolerance for abuse, it is imperative that every staff member and volunteer actively participates in the protection of youth and teens. Suppose staff or volunteers observe any suspicious or inappropriate behaviors and/or policy violations on the part of other staff or volunteers. In that case, they are responsible for immediately reporting their observations. As professionals in contact with young children and their families, we at the Greater Peoria Family YMCA are required by law to help DCFS become aware of children who may be abused or neglected.

According to the law, public or private school teachers, educational administrators, guidance or family counselors, and daycare/childcare workers are mandated reporters. Thus, it is the policy of the Greater Peoria Family YMCA to report any suspected cases of child abuse and/or neglect to DCFS immediately by telephone or by online submission.

Parent/Student Agreement/Code of Conduct (see attached form sign and return)

Positive behavior is reinforced in order to discourage inappropriate behavior as well as use of the program values of Caring, Honesty, Respect, and Responsibility. Redirection away from problems and towards constructive activity as well as immediate and directly related consequences for a child's un-acceptable behavior are used as the situation warrants. **ZERO-TOLERANCE FOR: BULLYING=EXPELLED FIGHTING=EXPELLED, CURSING: SUSPENSION or EXPELLED.** *Each situation will be extremely investigated before decisions are made to discredit false claims OR misleading information* If students are continuously disrupting and being disrespectful to themselves and other students and counselors: 3 Strikes rule no longer applies and the student will be dismissed from the program and unable to return.

SNACKS & FOOD

Are any snacks or meals provided at Teen Reach?

For summer camp we ask that you send a packed lunch with your child each day of the week (that doesn't need refrigeration or heating). We recommend a reusable lunch box and an ice pack to keep everything fresh! We have a hot breakfast and lunch option provided by Organic Life for part of summer camp that is offered by PSD 150. This is only for a limited time during camp. Students are able to eat this option as well. We'll provide a light snack type breakfast and small snack each afternoon such as a granola bar, but if you would like to send a specific snack you can do so. We generally limit eating to lunch time and before or after teen reach, you are welcome to pack an extra snack for your child to enjoy after the program, if you'd like. Please do not allow students to bring outside fast food as it is not fair to the other students.

What if my child has a specific diet or food allergy?

If there is a specific dietary need or medical reason that your child would need to eat at a certain time, please let us know and we will be more than happy to make arrangements. Similarly, please inform us of any food allergies your child may have on

their Health & Safety Form. Sending this form and information to us in advance helps us to be prepared so we can serve your child well during the program.

Can I provide snacks for my child's birthday?

If you want to bring treats for your child for a birthday or other fun occasion, please arrange this in advance with the program coordinator. All treats must be store-bought, prepackaged, and have a clearly printed list of ingredients on the package.

2. I expressly accept and assume all of the risks inherent in this activity or that might have been caused by the negligence of the releasees. My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.

By signing this document, I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.

If you ever need anything, we are here to help! Reach out anytime by emailing the Teen Reach Coordinator Jordan Lindsay or email Jordan.lindsay@peoriaymca.org or call (309)692-7631 ext 129 and we'd be happy to help answer your questions.
